

OFFICIAL APPLICATION GUIDE UEFA FEDERATIONS BADGES

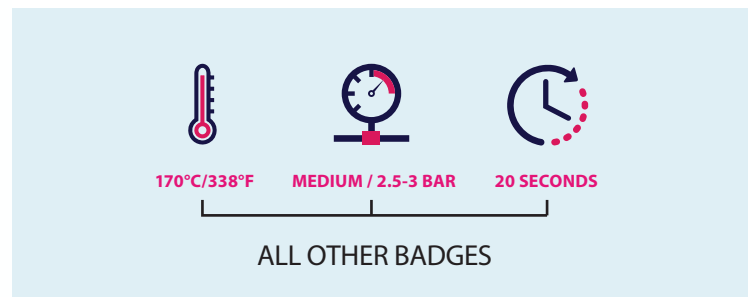

EURO 2024 MATCHES

FRANCE TEAM KIT

The positioning information is intended as a general guide only for player/adult kits. Brand styles differ and this information may need to be reviewed in individual circumstances for the best fit to be achieved.

RECOMMENDATION APPLICATION CONDITIONS *

Once positioned, cover transfer with teflon sheet or greaseproof paper before heat application.

Do not wash garment until 48 hours after application.

* Heat application machinery can vary in temperature & pressure, in-house testing is strongly advised.
